

Capability Statement

Furnished Independent Housing and Referral Ready
Operations

Houston Texas | Veteran Owned and Operated

Humble Abode Living LLC is a Texas veteran-owned company developing safe, stable, affordable furnished shared housing for veterans experiencing housing instability, other veterans, and adults age 55 and older who can live independently. We give referral partners a clear path from inquiry to move-in through disciplined intake, consistent communication, and well-documented resident operations.

VETERAN LED	HOUSTON FOCUSED	BUILT TO SCALE
Military-aware service and mission	Humble and North Houston launch area	Six-resident pilot with documented systems

Core Capabilities	Why Humble Abode
- Furnished nonmedical independent shared housing - Veteran and senior-focused room placement - Structured screening, tours, approval, and move-in workflow - Referral coordination with VA, nonprofit, hospital, church, and community partners - Written resident agreements and community standards - Documented safety, maintenance, incident, and occupancy practices	- Service-disabled veteran ownership and leadership - Resident dignity and independent living at the center of operations - Responsive referral communication and organized records - Scalable launch model designed for responsible growth - Fair housing awareness and objective screening practices
